The Globalization of World Politics: An Introduction to International Relations

The Globalization of World Politics: An Introduction to International Relations

Now in its third edition, *The Globalization of World Politics* has been fully revised to cover the latest developments in world politics. The book features three new chapters on International Law, Terrorism, and Social Constructivism and two updated case studies.

Written specially for those coming to the subject for the first time, this text has been carefully edited by John Baylis and Steve Smith to ensure a coherent, accessible and lively account of the globalization of world politics. As with the previous edition, there is a companion website that offers up-to-date case studies of the conflicts in Kosovo and the 1990-91 Gulf War and a new case study on Iraq. *The Globalization of World Politics*, Third Edition, is ideal for undergraduate and graduate courses in International Relations.
