The Man of Genius

Cesare Lombroso

The Man of Genius Cesare Lombroso

Excerpt from the Preface: "The idea that genius was a special morbid condition had indeed often occurred to me, but I had always repelled it; and besides, without a sure experimental basis, ideas to-day do not count. Like still-born children, they appear but for a moment, to disappear at once." This edition is a reprint of a book published in London in 1891.
