## **Albert Camus** Joseph McBride

Marking a major new reassessment of Camus' writing, this book investigates the nature and philosophical origins of Camus' thinking on "authenticity" and "the absurd" as these notions are expressed in "The Myth of Sisyphus" and "The Outsider", showing these books to be the product not only of a literary figure, but of a genuine philosopher as well. Moreover, the author provides a complete English-language translation of Camus' "Metaphysique Chretienne et Neoplatonisme" and underlines the importance of this study for the understanding of the early Camus. The book also contains analyses of the influence of St Augustine and Nietzsche on Camus.

### From reader reviews:

#### **Blair Kennedy:**

This Albert Camus are usually reliable for you who want to be a successful person, why. The key reason why of this Albert Camus can be among the great books you must have is giving you more than just simple reading through food but feed a person with information that maybe will shock your before knowledge. This book will be handy, you can bring it everywhere and whenever your conditions throughout the e-book and printed types. Beside that this Albert Camus forcing you to have an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we understand it useful in your day action. So , let's have it appreciate reading.

#### **Leigh Brown:**

This Albert Camus is great publication for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it information accurately using great arrange word or we can claim no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having Albert Camus in your hand like finding the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen tiny right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. busy do you still doubt this?

#### **Walter Knight:**

This Albert Camus is completely new way for you who has intense curiosity to look for some information since it relief your hunger of information. Getting deeper you on it getting knowledge more you know or perhaps you who still having bit of digest in reading this Albert Camus can be the light food for you because the information inside this specific book is easy to get by simply anyone. These books acquire itself in the form that is reachable by anyone, yep I mean in the e-book form. People who think that in publication form make them feel sleepy even dizzy this guide is the answer. So there is absolutely no in reading a guide especially this one. You can find actually looking for. It should be here for an individual. So , don't miss this! Just read this e-book kind for your better life in addition to knowledge.

#### **Suzanne Palmer:**

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Albert Camus can make you sense more

interested to read.
