Slapstick or Lonesome No More!: A Novel Kurt Vonnegut

Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today's follies. But even the end of life-as-we-know-it is transformed by Kurt Vonnegut's pen into hilarious farce—a final slapstick that may be the Almighty's joke on us all.
