Every day, in some part of the world, an Arthur Miller play is performed. In the nearly 60 years since its first production, the Pulitzer Prizewinning *Death of a Salesman* has become a classic, a staple of school anthologies of American literature and of acting companies' repertoires. It has received worldwide productions, whether as a study of parent-child relationships, as in its landmark 1976 production directed by Miller in Beijing, or as a critique of Western capitalism and has been filmed once for television and twice for movies.
