**Backroads of New Jersey: Your Guide to New Jersey's Most Scenic Backroad Adventures** Robert Heide, John Gilman

Beyond New Jersey's bustling cities and busy turnpikes are lesser known marvels of nature and history, all within easy reach of a traveler consulting this book. Let Backroads of New Jersey guide you to the natural wonders, historic sites, and other secrets of the Garden State, from scenic lake country and bountiful farmlands to woodland forest preserves and the glistening white-sand beaches of a 127-mile Atlantic Ocean shoreline.

One of the original thirteen colonies, New Jersey was the site of some of the most famous battles of the American Revolutionary War. Today you can walk in George Washington's footsteps and revisit milestones of the Revolution at Washington Crossing State Park, the historic Morristown area, and the great Princeton Battlefield. This book's twenty-nine backroads tours also invite you to experience nature at its most splendid, in the Meadowlands, the Delaware Water Gap, the Great Swamp, and the Pine Barrens region--the largest wilderness area east of the Mississippi River. Follow the multitude of seaside routes along the boardwalks and beaches of the Jersey Shore from Sandy Hook in the north to Cape May in the south. Or turn inland and stop at a world-famous diner, buy farm-fresh Jersey tomatoes at a roadside stand, or explore the hidden corners of old, industrial cities like Paterson, Hoboken, and Newark. And don't overlook the state's oddities and folklore: Grovers Mill, invaded by Martians in Orson Welles's infamous "War of the Worlds" broadcast; Flemington, where the Lindbergh kidnapping trial took place; and Leeds Point, birthplace of the mythic Jersey Devil.

Whether you're planning a day trip, looking for unusual destinations, or simply want to learn more about the region, all routes in Backroads of New Jersey will lead you to the true heart of the state.
