## Modern School for Xylophone, Marimba, Vibraphone (Morris Goldenberg Classics)

The "Goldenberg book" has been used by generations of orchestral mallet players to develop their skills. As well as studies and etudes, this book includes excerpts of major orchestral repertoire for keyboard percussion instruments. This edition, edited by Tony Cirone, includes phrasings that were inherent in the music but not specifically written out. Stickings are also addressed: the original stickings are in uppercase letters, and the added stickings are in lowercase. This book is the primary source for keyboard percussion players to learn technique and orchestral repertoire.
