## **ABOUT THE SERIES**

**My First Acting Series** introduces children, ages 5 to 9, to the basic elements of acting, directing, and producing a live theatrical performance and, in so doing, teaches kids how to think critically, solve problems, and work cooperatively with their peers.

This groundbreaking new series is for truly beginning actors, designed to incorporate theater and its benefits into children's lives at a young age by giving teachers and parents an accessible and applicable series with which to supplement their children's reading or social studies curriculum in a fun and interactive way.

Each book builds on the one before it, so skills grow as students grow. A better alternative to Reader's Theater, **My First Acting Series** is written by professional playwrights, and sufficiently engages children, encourages them to cooperate, and develops their creative expression.
