Djamee, has experimented with the wild side; recreational drugs & recreation in a broad sense of the term, since he was thirteen years old. At that young age he was no longer living with his parents. No, they did not abandon him. They just did what most wealthy parents do; they sent him to a boarding school in a far country. What he learned trough his travels is that the more people want to differentiate themselves the more similar they are. By that he means all people are the same in their core their wants & needs. Yes they all want to be heard. They want to be loved and understood. People want to know what their purpose on earth is.

What if Djamee Raphael offered you some insight on YOUR purpose; YOUR success, YOUR love; YOUR Integrity?

Would it be worth the small price tag and your time picking this book up?

This is ultimately for you to decide. The Author has found the answers to these questions when he started to rebuild his business in 2011. He is sharing with you his experience so you may do the same.

Unlike many other people who have taken years of their lives to learn about success & how to manifest it almost at will; he actually takes the time to share freely what he knows has been working and works today.

Yes he could keep these findings for himself. That would be unlike the person he has become. This would be more like the person that has died in him several years ago. Djamee, knows that sharing; giving is the best

gift of life itself. Ask a mother what giving means to her and listen and hear what she tells you.

Djamee Raphael, posts quotes about success; wealth; love; loyalty and truth on a daily basis on his social media. He collects them from motivational authors; coaches and speakers. His favorite author is Napoleon Hill. His male mentors are his father; Joel Bauer and Kevin Trudeau. His female mentor is his mother. She is the only woman he knows that has loved him unconditionally so far. Will he ever find in his life a loving partner that could measure up? Yes actually he has. As for his father he has made-up for his absence with the incredible experiences he shared with Djamee. The unmatched lifestyle he introduced him to; the circles he brought him to. He injected in him the clarity A LEVEL OF BELIEF THAT CERTAINTY that we are all the product of our imagination. There is no limit unless we put them to ourselves. Limit are of the finite world. The universe is open. djamee.com
