"You belong to us now. That means, you follow our rules."

When Mara's father dies, she finds herself alone with her brother. But unwilling to shoulder the responsibility of caring for Mara, her brother quickly abandons her in the hands of a whorehouse. It was Mara's first lesson in learning that she was very much alone in this world.

After barely escaping the whorehouse, Mara quite literally runs into Jason Ridgedale, collapsing in his arms from weakness and hunger. Jason's natural protective instincts flare up as he holds this delicate creature. He quickly decides to take her back to his homestead of Twin Cliffs that he shares with his lover, Tobias Preston.

At first, Mara is hesitant of her sudden change in circumstances. She rebels against their gentle but firm care. Having quickly fallen in love with this lost little pixie, Tobias and Jason are quick to give her a stern spanking when needed to ensure her safety and protection. Soon, Mara embraces the two men for the solid pillars of love that they are. She is embraced into their lovemaking, making her feel like she had finally come home.

But after so many hard months of learning that nothing good would last forever, could she handle so much love? **Can Jason and Tobias teach Mara a lesson in fearless love before it is too late?**

HEA with a special surprise at the end!
