Part of the popular LPN Threads series, this comprehensive text prepares you for safe and effective nursing practice in today's fast-paced healthcare environment. Covering maternal and neonatal, pediatric, geriatric, mental health, and community nursing, *Foundations of Nursing, 6th Edition*, includes all of the essential LPN/LVN content you need.

- Companion CD includes animations and audio clips depicting physiologic processes, physical assessment video clips, an English/Spanish glossary with definitions and audio pronunciations, an anatomy coloring book, and a fluid and electrolytes tutorial.
- The consistent, logical framework of the nursing process connects specific disorders to patient care.
- A mathematics review chapter provides a complete review of basic arithmetic skills and practice in drug dosage calculation to ensure safe medication administration.
- Safety Alert boxes help you implement The Joint Commission's safety guidelines in all settings, with considerations for special populations.
- Nursing Diagnosis boxes, screened and highlighted in the text, include nursing diagnoses for specific disorders paired with the appropriate nursing interventions.
- More than 100 skills in a step-by-step format with full-color illustrations present clearly defined nursing actions with rationales for the skills and techniques you'll use in practice.
- Medication tables are meticulously detailed and provide quick access to action, dosage, precautions, and nursing considerations for commonly used drugs.
- Nursing Care Plans, presented in a case-study format, emphasize patient goals and outcomes and end with Critical Thinking Questions to develop your clinical decision-making skills.
- Coordinated Care boxes emphasize parameters for prioritizing tasks, as well as assigning tasks to and supervising unlicensed assistive personnel.
- Patient Teaching boxes and Family Teaching boxes include post-hospital discharge guidelines and disease prevention instructions with a strong focus on three-way communication among the nurse, patient, and family members.
- Life Span Considerations for Older Adults boxes provide age-specific information for the care of the aging population, which is often the primary focus of the LPN/LVN nurse.
- Home Care Considerations boxes discuss the issues facing patients and caregivers in the home health care setting.
- Health Promotion boxes provide key information on staying healthy and preventing disease, with tips on wellness from Healthy People 2010.
- Cultural Considerations boxes discuss how to address the health needs of a culturally diverse patient population when planning care.
- Enhanced focus on the NCLEX® Examination offers end-of-chapter Get Ready for the NCLEX Examination! sections with key points for self-guided study and remediation and an extensive set of review questions for thorough self-assessment. Additional review questions on Evolve provide instant feedback with correct answer and rationale for even more test-taking practice.
- Evidence-Based Practice boxes summarize the latest research findings and highlight how they apply to LPN/LVN practice.
- Updated, vibrant full-color design highlights key information and enhances your understanding of important concepts.
