NBBC, Galatians: A Commentary in the Wesleyan Tradition (New Beacon Bible Commentary) George Lyons

The New Beacon Bible Commentary is an engaging, indispensable reference tool to aid individuals in every walk of life in the study and meditation of God's Word. Written from the Wesleyan theological perspective, it offers insight and perceptive scholarship to help you unlock the deeper truths of Scripture and garner an awareness of the history, culture, and context attributed to each book of study. Readable, relevant, and academically thorough, it offers scholars, pastors, and laity a new standard for understanding and interpreting the Bible in the 21st century. Each volume features: Completely New Scholarship from notable experts in the Wesleyan tradition Convenient Introductory Material for each book of the Bible including information on authorship, date, history, audience, sociological/cultural issues, purpose, literary features, theological themes, hermeneutical issues, and more Clear Verse-by-Verse Explanations, which offer a contemporary, Wesleyan-based understanding derived from the passage's original language Comprehensive Annotation divided into three sections, which cover background elements behind the text; verse-by-verse details and meanings found in the text; and significance, relevance, intertextuality, and application from the text Helpful Sidebars, which provide deeper insight into theological issues, word meanings, archeological connections, historical relevance, cultural customs, and more Expanded Bibliography for further study of historical elements, additional interpretations, and theological themes This letter claims the apostle Paul wrote it. No serious contemporary scholar questions that claim. In fact, most appeal to Galatians to assess the authenticity of the other Pauline letters. It remains uncertain what influence Paul's anonymous co-senders may also have had on the letter's composition.
