**Our Mothers' War: American Women at Home and at the Front During World War II** Emily Yellin  
*Our Mothers' War* is an eye-opening and moving portrait of women during World War II, a war that forever transformed the way women participate in American society. Never before has the vast range of women's experiences during this pivotal era been brought together in one book. Now, *Our Mothers' War* re-creates what American women from all walks of life were doing and thinking, on the home front and abroad. These heartwarming and sometimes heartbreaking accounts of the women we have known as mothers, aunts, and grandmothers reveal facets of their lives that have usually remained unmentioned and unappreciated. *Our Mothers' War* gives center stage to one of WWII's most essential fighting forces: the women of America, whose extraordinary bravery, strength, and humanity shine through on every page.
