The Blood Road: the Ho Chi Minh Trail and the Vietnam War (Paperback) - Common By (author) John Prados

"Enormously illuminating... John Prados can lead a reader, from the battle buff to the expert, through the series of campaigns near the DMZ and along Route 9 better than any other author I have read... His understanding of the decision-making process in Hanoi is nuanced and sophisticated... A first-rate book from a first-rate scholar.
