The Guilty One Sophie Littlefield

From the award-winning author of *The Missing Place*—in which “Littlefield’s writing shines” (*The Boston Globe*)—another gripping exploration of the damage people can do to each other, and the resilience they find in themselves.

A man stands on the Golden Gate Bridge, poised to jump...if a woman on the other end of the phone tells him to.

Maris’s safe suburban world was shattered the day her daughter was found murdered, presumably at the hands of the young woman’s boyfriend. Her marriage crumbling, her routine shattered, Maris walks away from her pampered life as a Bay Area mom the day she receives a call from Ron, father of her daughter’s killer. Wracked with guilt over his son’s actions (and his own possible contribution to them), he asks Maris a single question: should he jump?

With a man’s life in her hands, Maris must decide, perhaps for the first time, what she truly wants. Retribution? Forgiveness? Or something more? Having lost everything, she’s finally free to recreate herself without the confining labels of “wife,” “mother,” or “mourner.” But will this shocking offer free her, or destroy her?

Julie Long:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Guilty One can make you experience more interested to read.
