Celebrating Interfaith Marriages: Creating Your Jewish/Christian Ceremony Devon A. Lerner

The first comprehensive wedding guide specifically for the Jewish/Christian couple who wants to honor both religious traditions in their service, vows, and readings.

Saying "I do" is one of the happiest moments in a couple's life together--but planning that trip to the altar can be a stressful ordeal. The minute an engagement is announced two full clans want to celebrate the union their way! When one of those families is Jewish (50 percent of whom now marry outside their faith) and the other is Christian, the religious details can increase the pressure on the bride- and groom-to-be. *Celebrating Interfaith Marriages* provides all of the expert advice on how to combine elements of the two faiths so everyone can rejoice with the bride and groom on their wedding day.

Devon Lerner draws from her twenty years of officiating interfaith weddings as she discusses the significance of vows and traditions unique to both faiths and suggests how to incorporate them into a service that is balanced and beautiful. She provides Christian and Jewish services readers can mix and match, as well as custom-bled ceremonies contributed by couples who have worked with her over the years. There's a chapter on how to avoid crashes on issues like location, when the ceremony takes place, and whether the bride and groom should see each other before meeting at the altar. A full section of readings, both biblical and secular, are here too, as well as anecdotes that will reassure and amuse. No interfaith couple will want to be without this essential handbook when they plan their special day.
