YOU CAN MAKE THE LAW OF ATTRACTION WORK TODAY!**

This is one of the most powerful Law of Attraction books you will ever read. It was written by a lottery winner who explains how the Law of Attraction works and how it can be used to attract money. The Law of Attraction is not a fly-by-night fad, but a powerfully creative force that can give you the life of your dreams if you know how to use it, so the better you understand this power the faster it will manifest your desires. By reading this book you will learn proven strategies that will help you manifest money, a new job, a life partner, a lucrative business or anything else that you can make a part of your beliefs and feelings. Everyday millions of people are introduced to the Law of Attraction through books, CDs and other materials.

Unfortunately, only a small percentage of these people achieve their goals because much of this information fails to present an accurate explanation of this power and how to use it effectively, but this book will give hope to millions of people who want to learn the secrets of the Law of Attraction. While writing this book it was my intention that you learn about the Law of Attraction without having to read through hundreds of pages of boring filler, so I created a book that explains the facts quickly and clearly so that you can begin manifesting money as soon as you understand the concepts presented in this book.

## **WHAT MAKES THIS BOOK SO UNIQUE?**

This book contains a number of unique perspectives that are proven to work. After explaining what the Law of Attraction is and how it responds to intention, I discuss the power of Affirmations and how to use them effectively. Next is a section on Creative Visualization that contains two parts. Part one explains the history of creative visualization and the quantum effects it has on the world around us. Part two deals with the Four Essential Elements of creative visualization and explains how this faculty can be used effectively. The following chapter on Gratitude and Receiving provides powerful tools to help you attract whatever you set your intention on. One chapter that I am particularly fond of is called Living in Balance, which is the most important chapter of this book. The metaphysical ideas explained in this chapter are so profound that this information must be understood and implemented in order to make the Law of Attraction work. No amount of affirmations and creative visualizations will work unless you understand the spiritual importance of Living in Balance. I have also included a Question and Answer section in which I respond to many of the most important Law of Attraction questions that people have asked me. Finally, this book concludes with a chapter detailing my Prosperity Action Plan, which is the plan I implemented and followed to manifest lottery prizes and other wonderful things in my life.

Are you ready to learn the secrets of the Law of Attraction?
