## **Revelations** Jo Brighton

The next chapter for the "Ibiza seven" girls starts where "Repercussions" ended, with all the girls at Ellen and Louise's barbecue on Easter Sunday. Ellen is starting to have to deal with her demons caused by the accident just before Christmas and drops the bombshell news to Sarah about her suspicions about Louise. Could it really be true?. Ellen also asked Sarah about the kiss they shared in the toilet just before the explosion which threw them both to the ground and trapped them with their injuries. But will the answer be the one Ellen wants to hear? And then again will Sarah be telling her the truth?. A new era is just beginning for several of the girls, with Abi and her new home, new business and her new sex buddy in CJ. There is Dee also with a new home, new job, and her relationship with Sarah just beginning. And there is the big event of the year with Ellen and Louise's wedding taking place, but can things ever run smoothly for the "Ibiza seven" girls?. With a couple of the girls ex's also returning will this upset everyone?. But one thing for sure, several revelations are also about to come to light. But the biggest revelation will be what was witnessed through the window from the garden?. Which of the girls saw it? Just how much did they see?. And when will they reveal what they saw?. Maybe they will just bide their time?. But why? Do not worry if you have not read any "Ibiza seven" stories as all is revealed as we go along.
