Daphne Hudson is a wife, a mother, and a high powered lawyer - not in that order. In fact, she's been slipping in the wife and mother department recently.

This is made worse one night when she comes home from a long day of the office. Unbeknownst to her, she missed her son Michael's swim meet. Without a second thought, she hurts her son's feelings and sends him to bed without an apology.

But when Jeffrey, her broad-shouldered beast of a husband how she has hurt their son, he knows what he has to do. Primal instincts take over as he disciplines her in the middle of the living room, fully knowing that the best choice of action is to be... *spanking the bitch*.
