The Evolutionary Journey of Woman: From the Goddess to Integral Feminism Sarah Nicholson

The story of human evolution that we've been told is one built on the shoulders of male heroism, competition and dominance: but, what if it isn't the whole story?

This is the story of women's evolution. It traces women's rich contribution to human evolutionary history alongside the conditions of her oppression, and looks towards a future that integrates women's past wisdom with the full spectrum of present and future possibilities.
