The Life and Opinions of Tristram Shandy, Gentleman (Modern Library Classics)

Laurence Sterne

The Life and Opinions of Tristram Shandy, Gentleman (Modern Library Classics) Laurence Sterne
Introduction and Notes by Robert Folkenflik

Rich in playful double entendres, digressions, formal oddities, and typographical experiments, *The Life and Opinions of Tristram Shandy, Gentleman* provoked a literary sensation when it first appeared in England in a series of volumes from 1759 to 1767. An ingeniously structured novel (about writing a novel) that fascinates like a verbal game of chess, *Tristram Shandy* is the most protean and playful English novel of the eighteenth century and a celebration of the art of fiction; its inventiveness anticipates the work of Joyce, Rushdie, and Fuentes in our own century. This Modern Library Paperback is set from the nine-volume first edition from 1759.
