As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this "Winter Wonderland" (Sheet Music) can make you truly feel more interested to read.
