**Maternity Nursing, 8th Edition** Deitra Leonard Lowdermilk RNC PhD FAAN, Shannon E. Perry RN PhD FAAN, Mary Catherine Cashion RN BC MSN

A streamlined approach covers the fundamentals of maternity nursing! **Maternity Nursing, 8th Edition** focuses on the care of women during the childbearing years. Designed to meet the needs of today's students, the book offers a clear, readable style and a concise, focused presentation. It integrates an understanding of family, culture, and health promotion into the continuum of care, and coverage of community-based care emphasizes nursing care in many different settings. Not only does **Maternity Nursing** focus on childbearing issues and concerns, including care of the newborn, but it also addresses wellness promotion and the management of common women's health problems. The Evolve companion website includes useful study tools, including medical animations, video clips, a care plan builder, and NCLEX® exam-style review questions.

- **A companion Evolve website** includes student resources such as NCLEX® exam-style review questions, audio chapter summaries, a care plan builder, nursing skills, interactive case studies, video clips and animations, anatomy reviews, and an audio glossary with Spanish pronunciations.
- **Unique! Nursing Alerts** highlight critical information in providing care.
- **Unique! Emergency boxes** provide step-by-step procedures for pediatric and maternity emergencies.
- **Unique! Cultural Considerations boxes** discuss customs and beliefs of different cultures that may affect care for patients and families.
- **Unique! Community Activity boxes** provide maternal and newborn exercises to enhance care in local community settings.
- **Unique! Nursing Process boxes** identify information on major diseases and conditions.
- **Patient Instructions for Self-Management boxes** highlight the information nurses need to communicate to patients and families.
- **Critical Thinking exercises** are based on case studies of real-life situations.
- **Coverage of nursing care management** uses a framework of the five steps of the nursing process as well as a focus on collaborative care.
- **Nursing care plans** include specific guidelines and rationales for interventions.
- **21<sup>st</sup> Century Maternity Nursing: Culturally Competent, Family and Community Focused chapter** integrates content on the family and home care.
- **A focus on the family** recognizes the nurse's need to integrate the family in the care of the mother and newborn, and the importance of the role of the mother to the well-being of the family.
- **Updated content** includes information on the late preterm infant and associated concerns such as feeding; guidelines on prioritization and delegation; and centering pregnancy, a new model of health care that brings women together in care groups.
- **Updated coverage of evidence-based practice** includes current research in newly expanded, researched, and reformatted boxes.
- **Streamlined content** focuses your attention on the most essential, need-to-know information.

So now let us demonstrate the relaxing pattern here is your body and mind is going to be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

**Jeff Keenan:**

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Maternity Nursing, 8th Edition can make you feel more interested to read.
