Peace, Power, and Presence: A Guide to Self Empowerment, Inner Peace, and Spiritual Enlightenment

Jonathan Evatt

Why is your life the way it is? How do your thoughts, emotions, and beliefs affect your perception of the world around you? How does this perception influence your power, and therefore affect your state of Inner Peace? Most importantly, how can you approach your life--as it is right now--in such a way so as to liberate yourself from suffering and become established in a lasting state of Peace, in the Power to fulfill your purpose, and in absolute Presence to the perfection that you are?

In this groundbreaking new book Peace, Power, and Presence, Jonathan Evatt brings clarity to key principles and perspectives on these and other challenging questions. The result is nothing short of your becoming empowered to recognize the ultimate answers already emerging from the essence within you. You will pierce through the many veils of deception so prevalent in the world today, and step into a Life of Freedom defined not by some external source of knowledge but by the immaculate wisdom of your own Being.

Peace, Power, and Presence are the fulfillment of what each of us is striving to discover through all our many endeavours. Those people familiar with Jonathan's liberating approach to Life have been empowered by the realization that the fulfillment of Peace, Power, and Presence within them requires no beliefs, no dogma, no institutions, and no blind adherence to the many outdated religions and spiritual teachings in the world today. In what is set to become a key point of reference for those individuals interested in spiritual and human freedom, Jonathan makes no attempt to show you how to live your life. Instead, he shares with you a new way to approach the life you are already living--an approach that will bring into actualization your innate qualities of Enlightenment--for a Life of Freedom.
