American icon and international superstar Dionne Warwick presents an inspiring and entertaining children's picture book that encourages kids to find their best talent in life and embrace it.

“Little D” is ambling through childhood like any other little kid—enjoying her family and neighbors, her pet dog, her hobbies, and school—when one day she discovers that she has a special talent. In her first-ever singing performance in front of an audience, Little D brings the house down! And she discovers, with her grandfather's encouragement (“If you think it, you can do it!”), that everyone has a special talent and it's up to each person to find it, embrace it, perfect it, and enjoy it!

The book includes audio CD featuring an exclusive recording of the gospel song “Jesus Loves Me” (the first song young Dionne performed before an audience, as told in the book), as well as a reading of the book by Ms. Warwick.
