## **The Winter Sea** Susanna Kearsley

History has all but forgotten...In the spring of 1708, an invading Jacobite fleet of French and Scottish soldiers nearly succeeded in landing the exiled James Stewart in Scotland to reclaim his crown.

Now, Carrie McClelland hopes to turn that story into her next bestselling novel. Settling herself in the shadow of Slains Castle, she creates a heroine named for one of her own ancestors and starts to write.

But when she discovers her novel is more fact than fiction, Carrie wonders if she might be dealing with ancestral memory, making her the only living person who knows the truth-the ultimate betrayal-that happened all those years ago, and that knowledge comes very close to destroying her...

"Powerful, atmospheric, enthralling, and simply mesmerizing, [*The Winter Sea*] is one of the best books you'll read this year!"

-Singletitles.com

"Susanna Kearsley's obvious love of history is infectious...*The Winter Sea* is an acknowledgement that so many of us are haunted by the deeds of our ancestors, perhaps literally..."

-Gail Anderson-Dargatz, international bestselling author of *A Recipe for Bees*

What readers say:

"Kearsley weaves an airtight spell that alternates and mingles the past with the present... Kudos go to her ending that, believe it or not, had this jaded reader blinking back both tears and smiles of surprise and approval. Well done."

"A perfect concoction of history and romance. Susanna Kearsley has to be one of my all-time favorite authors-she captures the audience's attention from the start."

"The book is so beautifully written the reader will feel they are right there on the northeast coast of Scotland; one can almost taste the salt-laced wind..."

### From reader reviews:

#### **Suzanne Brooke:**

People live in this new day time of lifestyle always aim to and must have the time or they will get lot of stress from both everyday life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not a robot. Then we consult again, what kind of activity have you got when the spare time coming to you of course your answer will probably unlimited right. Then ever try this one, reading textbooks. It can be your alternative inside spending your spare time, often the book you have read is actually The Winter Sea.

#### **Joann Huertas:**

Your reading sixth sense will not betray you actually, why because this The Winter Sea e-book written by well-known writer who really knows well how to make book which can be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still skepticism The Winter Sea as good book not simply by the cover but also with the content. This is one publication that can break don't evaluate book by its cover, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your reading sixth sense already told you so why you have to listening to one more sixth sense.

#### **Lenora Dryer:**

Reading a book being new life style in this calendar year; every people loves to go through a book. When you study a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. In order to get information about your examine, you can read education books, but if you want to entertain yourself read a fiction books, these kinds of us novel, comics, along with soon. The The Winter Sea provide you with new experience in looking at a book.

#### **Carl Guerra:**

Is it you actually who having spare time subsequently spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This The Winter Sea can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
