Enjoy this hot, strongly written and developed 70,000 word explicit erotica series following a submissive's journey through her discovery of the BDSM lifestyle.

*** Note this is BDSM on the extreme side

Excerpt:

The time has finally come and I am throbbing all over with excitement. I am going on holiday with my Master, 9 days and nights with him, alone, vulnerable and submissive. I receive my email on time, the evening before we leave. My instructions are clear; I am to be shaved clean, wear a blue collared short-sleeve shirt top and black slacks with no underwear and meet at the international terminal money exchange counter at in the mid afternoon. The time we are meeting peaked my curiosity as I knew we were taking an 8pm flight. However, my place is not to question anything. I am also not to wear any make up with the exception of and a dab of 'Beautiful' perfume on my neck. I double check my luggage. Just as instructed; suitable clothing, no underwear, my toiletries, high heels, flat heels and joggers. I am not going to disobey any instruction as I to be inspected prior to boarding. Master calls all the shots. I bath, shave, sleep, dress and make my way to the airport.

I have only met him once before. It was dark. He wore black and I was blindfolded for most of our night together. I remember everything about him. He was tall, strong and clean shaven. I know what he liked, how he wants me to please him, and anticipate the many demands on me during our holiday.

I go to where we are to meet, eyes cast down ,and wait for him. I soon feel his presence beside me. “Good afternoon Jenny”, he greets me.

“Good afternoon Steve”, I answer without making eye contact. He kisses my cheek and takes my hand in his..

“Let’s go. So are we excited?”

“Oh yes Sir, I am very excited”, I whisper to him as we walk hand in hand dragging our luggage behind us. I have 1 suitcase. He has a suitcase and a sports bag. He leads me to a bar outside and seats me at the farthest point from the door in a darkened corner where we are partially blocked by a fire escape above and planters in front of us.

He leaves to fetch each for us a drink and slides in beside me upon his return. He reaches behind my head and brings his lips to mine. We kiss for a second before he bites my lower lip hard making me wince in pain. He does not release his teeth from my lip while he moves his hand under my shirt to my right nipple and squeezes it hard. The pain shoots through me like a lightning bolt and I squirm slightly as my pussy moistens. He slowly releases my lip, moving his hand to my left nipple and squeezing it hard, I wince again but he has my head pressed hard against the back of the seat so I can't move.

“Don't make a sound. Suck it in and take the pain. Do not move a muscle until I tell you. Is that clear?” I murmur “Mmm” in agreement and he releases me from his grasp. My nipples are both hard, large and stinging as he removes his hand. We sit for a while drinking our drinks , looking into each other's eyes, and making small talk about the trip to the airport. All the while, he tweaks my nipples repeatedly so they stand up under my shirt. I sit there, drenched between my legs and wanting to cum so badly that I have to focus on the nipple pain to take my mind off such pleasures. After about 30 minutes, he stands, opens his carry on, removes a medium size butt plug and a vibrating egg. He tells me to go to the bathroom, insert both items and return to him. I place the items in my handbag and do as he asks. I plan to return to him quickly so he is pleased with me.
