Savage killers or angered victims? *Shark Attack* tells readers the truth about the most feared creatures in the sea while exploring the anatomy of the shark and touching on different breeds including tiger sharks, bull sharks and the most feared in the sea — the great white.

Level 3 is for children able to read on their own. The stories are exciting and captivating in order to develop the child's own desire to read. More text and more complex sentence structure are presented, with information spreads to help develop the reader's general knowledge. The choice of subject widens to match the broadening of children's experiences and interests.
