Fish Lips

Andy Lochrie

Fish Lips Andy Lochrie

From the Santa Cruz Sentinel

Those bright and wacky UC Santa Cruz kids continue to amaze us. And I'm not talking koi kabobs or tree hugging here. Instead, kindly turn your attention to the odd but educational oral history experiment performed by Andy Lochrie in "Fish Lips," his senior-project-turned-book. Yes, Lochrie had to turn something in to earn his degree from UCSC, but instead of producing a pile of pages that would molder for decades in a forgotten sock drawer, he came up with something rather original — a history of the misbegotten, rebellious, erotic and highly humorous alternative campus newspaper known as The Fish Rap Live! ... Available at area bookstores, don't be surprised if you spy "Fish Lips" for sale on Amazon.com, area comic stores or even at Frenchy's adult bookstore. It's that kind of book. *Chris Watson, Copyright 2003. All rights reserved.*

From reader reviews:

Aaron Ryan:

Information is provisions for those to get better life, information these days can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is inside the former life are challenging be find than now's taking seriously which one would work to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Fish Lips as the daily resource information.

Betty Abbott:

Reading a reserve can be one of a lot of pastime that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new information. When you read a reserve you will get new information because book is one of various ways to share the information or maybe their idea. Second, reading a book will make anyone more imaginative. When you examining a book especially tale fantasy book the author will bring you to imagine the story how the figures do it anything. Third, you are able to share your knowledge to other people. When you read this Fish Lips, you may tells your family, friends and also soon about yours guide. Your knowledge can inspire different ones, make them reading a reserve.

Kori Pierson:

This Fish Lips is great publication for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. That book reveal it facts accurately using great organize word or we can declare no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but challenging core information with attractive delivering sentences. Having Fish Lips in your hand like finding the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world throughout ten or fifteen small right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. occupied do you still doubt that?

Heather Garcia:

Don't be worry when you are afraid that this book may filled the space in your house, you might have it in e-book way, more simple and reachable. This particular Fish Lips can give you a lot of buddies because by you looking at this one book you have thing that they don't and make you actually more like an interesting person. This specific book can be one of a step for you to get success. This publication offer you information that perhaps your friend doesn't learn, by knowing more than different make you to be great men and women. So , why hesitate? Let me have Fish Lips.
