MASTER DESTISTRY is designed as a revision guide for dental students and offers the "curriculum essentials" in an easy-to-digest format. Each section is fully illustrated throughout and is supported by extensive self-assessment questions which allow the reader to assess their own knowledge of the topic and perfect their exam techniques. Now in colour, this second edition addresses the restorative, paediatric and orthodontics aspects of dentistry and is perfect for both undergraduate students and post-graduates preparing for the MFDS or international equivalents.

- Quick reference revision aid for dental students - ideal for exam preparation!
- Covers the 'essentials' of the subject to a level that is expected with the GDC's curriculum outlined in the *First Five Years* document
- Includes extensive self-testing material - short answers, essays, MCQs and EMQs - enabling students to assess their knowledge and perfect exam techniques
- Suitable for post-graduate students who will find the book useful for the MJDF or international equivalent
- New chapter on the restorative management of dental implants provides insight into more advanced techniques
- Revised section on law and ethics reflects recent changes in GDC requirements
- Updated self-assessment material to reflect current exam formats
- Now published with colour!
