The Liberty Amendments Mark R. Levin

In his #1 bestsellers *Liberty and Tyranny* and *Ameritopia*, Mark R. Levin has all but predicted the current assault on our individual liberties, state sovereignty, and the social compact—the inevitable result of an all-powerful, ubiquitous central government. Fortunately, such dire circumstances were anticipated by the Founding Fathers, who gave us the means to amend the Constitution in order to preserve our rights and prevent governmental behemoths. Here, Levin turns to the Constitution and its Framers to lay forth eleven specific prescriptions, thoughtfully constructed within the Framers' design, for restoring the American Republic. His proposals are pure common sense, ideas shared by many—such as term limits for members of Congress and Supreme Court justices and limits on federal taxing and spending—that draw on the wisdom of James Madison, Benjamin Franklin, Thomas Jefferson, and others. With *The Liberty Amendments*, the American people can take the first step toward reclaiming what belongs to them.
