Guide to Deaf Ministry, A DeAnn Sampley

"What must be seen to be fully appreciated is (sign's) singular appropriateness for religious worship It is perhaps in the church service that the beauty of sign becomes most evident. Some churches have sign choirs. Watching the robed members sign in unison can be an awe-inspiring experience." (Jerome D. Schein, *Speaking the Language of Sign*). DeAnn Sampley's book is about ministry to the deaf -- not only worship, but also nurture, service, and understanding. *A Guide to Deaf Ministry* reveals that serving deaf people involves cross-cultural communication. Those who would minister to the deaf must understand their needs, their language, their world. This book encompasses all these things, showing readers how to begin a deaf ministry, the resources that are available, what the deaf culture is like, and the special aspects of interpreting through sign in the church and worship settings. This is a book for all who seek to minister to deaf people, who live with them, or who number themselves among them.
