## **Love Bites: The Unofficial Saga of Twilight** Liv Spencer

With over 42 million copies sold and translations in close to forty languages, Stephenie Meyer's Twilight novels — Twilight, New Moon, Eclipse, and Breaking Dawn — have captured the hearts of a generation of readers. At the centre of the saga is the epic love story of Bella Swan and vampire Edward Cullen (not to mention werewolf Jacob Black), star-crossed lovers the likes of which haven't been seen since Romeo and Juliet. The film adaptation of this beloved supernatural romance was a huge success, and as the ravenous Twilight fans embraced the movies, relative-newcomers Robert Pattinson and Kristen Stewart transformed into international superstars. Hitting bookstores when Eclipse hits theatres, *Love Bites: The Unofficial Saga of Twilight* features:

- the story of Stephenie Meyer and her publishing sensation
- a guide to each novel outlining the symbolism and literary allusions
- bios of Robert Pattinson, Kristen Stewart, Taylor Lautner, and the rest of the Twilight Saga cast
- the "making of" the Twilight, New Moon, and Eclipse films
- fascinating tales of other famous vampires and werewolves
- a chapter dedicated to the "Twihards," the Twilight fans who have made the books and movies such an unprecedented success

*Love Bites: The Unofficial Saga of Twilight* is a full-colour tribute to all the pieces of the Twilight phenomenon.
