This special paperback edition of the third book in the *New York Times* bestselling Hush, Hush saga features exclusive content!

Nora Grey can't remember the past five months of her life. After the initial shock of waking up in a cemetery and being told that she has been inexplicably missing for weeks, she tries to get her life back on track. So she goes to school, hangs with her best friend, Vee, and dodges her mom's creepy new boyfriend.

But there is this voice in the back of her head, an idea that she can almost reach out and touch. Visions of angel wings and unearthly creatures that have nothing to do with the life she knows. And an unshakable feeling that a part of her is missing.

Then Nora crosses paths with a sexy stranger, with whom she feels a mesmerizing connection. He seems to hold all the answers...and her heart. Every minute she spends with him feels more and more intense until she realizes she could be falling in love. Again.

This paperback edition features exclusive bonus content and enticingly sets the stage for the series conclusion, *Finale*.
