Enticing!

Thought provoking! 5 Stars, easily!!

This book raises the interesting question - if it's not widely read, will we lose our Republic?

So well written a 9th grader can comprehend it. So well researched a political pundit would learn from it and be more effective at his job.

The Political Spectrum: Freedom vs. Enslavement tackles and tames a subject vital to the American people.

This is the voice of logic and reason applied to politics.

You won't be disappointed!
