A Connecticut Yankee In King Arthur's Court Mark Twain

Come and hear the strange tale of The Boss Hank Morgan, a modern day (at the time of publication) Connecticut Yankee who inexplicably finds himself transported to the court of the legendary King Arthur (as the title of the book implies). Hank, or simply, The Boss, as he comes to be most frequently known, quickly uses his modern day knowledge and education to pass himself off as a great magician, to get himself out of all sorts of surprising, (and frequently amusing) situations, as well as to advance the technological and cultural status of the nation in which he finds himself.
