City of Jasmine

Deanna Raybourn

City of Jasmine Deanna Raybourn

Set against the lush, exotic European colonial outposts of the 1920s, *New York Times* bestselling author Deanna Raybourn delivers the captivating tale of one woman who embarks upon a journey to see the world—and ends up finding intrigue, danger and a love beyond all reason.

Famed aviatrix Evangeline Starke never expected to see her husband, adventurer Gabriel Starke, ever again. They had been a golden couple, enjoying a whirlwind courtship amid the backdrop of a glittering social set in prewar London until his sudden death with the sinking of the Lusitania. Five years later, beginning to embrace life again, Evie embarks upon a flight around the world, collecting fame and admirers along the way. In the midst of her triumphant tour, she is shocked to receive a mysterious—and recent—photograph of Gabriel, which brings her ambitious stunt to a screeching halt.

With her eccentric aunt Dove in tow, Evie tracks the source of the photo to the ancient City of Jasmine, Damascus. There she discovers that nothing is as it seems. Danger lurks at every turn, and at stake is a priceless relic, an artifact once lost to time and so valuable that criminals will stop at nothing to acquire it—even murder. Leaving the jewelled city behind, Evie sets off across the punishing sands of the desert to unearth the truth of Gabriel's disappearance and retrieve a relic straight from the pages of history.

Along the way, Evie must come to terms with the deception that parted her from Gabriel and the passion that will change her destiny forever....

Ross Adams:

This City of Jasmine is completely new way for you who has intense curiosity to look for some information given it relief your hunger of information. Getting deeper you in it getting knowledge more you know or else you who still having small amount of digest in reading this City of Jasmine can be the light food for yourself because the information inside that book is easy to get through anyone. These books acquire itself in the form which is reachable by anyone, sure I mean in the e-book form. People who think that in reserve form make them feel drowsy even dizzy this publication is the answer. So there is no in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss that! Just read this e-book variety for your better life and also knowledge.

Earnest Moss:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this City of Jasmine can make you experience more interested to read.
