## **Outsiders: estudos de sociologia do desvio (Portuguese Edition)** Howard S. Becker

Desde que foi lançado, no início dos anos 1960, *Outsiders* se transformou em leitura obrigatória. Escrito pelo renomado cientista social americano Howard Becker, propõe uma nova interpretação a respeito do que na época se considerava “comportamento social patológico”. Apresentando uma original pesquisa de campo feita entre usuários de maconha e músicos de jazz, o autor introduz a noção de outsiders para abranger uma série de grupos cujo comportamento é considerado desviante pela sociedade “normal”. Mostra ainda que tais grupos têm suas próprias regras e seus conceitos de normalidade. Agora, esse clássico das ciências sociais é publicado na íntegra para o leitor brasileiro.
