Practical Neurology

Practical Neurology

Thoroughly updated for its Third Edition, this practical, convenient reference covers a wide spectrum of presenting complaints and neurologic disorders encountered in daily practice. The contributing authors are well-established clinicians and educators with a talent for making neurologic information accessible and understandable. The book is organized into 35 chapters on diagnosis and 23 chapters on treatment, including a chapter on ABCs of Neurologic Emergencies. Chapters are written in outline format and follow a standard template.

This edition features a completely updated treatment section, an expanded chapter on pediatric office neurology, and more illustrations and tables. Vignettes have been added to the chapters on approach to the patient with specific disorders.
