Marek Murawski

Arado Ar 234 Blitz: Volume 1 (Monographs 3D Edition) Marek Murawski

The new edition of Arado Ar 234 monograph devoted to the history of the Arado Ar 234 Blitz, the first German jet bomber and reconnaissance plane. The book has been supplemented with new pictures and include a large number of detailed 3D visualization featuring aircraft design. The first volume covers its design and development in regard to the evolution of jet propulsion. Each variant is specified and described, including few which never progressed beyond the drawing board.

REVIEWS

lavishly illustrated study sports dozens of lip-smacking detail shots – especially cockpit, armament and cowling iterations...this monograph really turns meaty for modelers in its second part. That's where you'll find 65 pages of Ar 234 3D general and detail drawings – the hallmark of Kagero's amazing series. Four more pages of color close-ups spotlight NASM's restored B-2. And ten profiles sample Blitz schemes. Wow. Add line drawings to 1:32, 1:48 and 1:72 scales. And this superb study certainly provides plenty of potent project support. Looking to super-accuratize that Hasegawa kit? Upgrade that Hobbycraft Blitz? Look here. Roundly recommended!
