Faith Undone: The emerging church - a new reformation or an end-time deception Roger Oakland

Is the emerging church movement just another passing fad, a more contemporary approach to church, or a bunch of disillusioned young people looking for answers? In fact, it is actually much broader and is influencing Christianity to a significant degree. Grounded in a centuries-old mystical approach, this movement is powerful, yet highly deceptive, and it draws its energy from practices and experiences that are foreign to traditional evangelical Christianity. The path that the emerging church is taking is leading right into the arms an interfaith perspective that has prophetically profound ramifications.
