Grade Level: 2-3 Age Level: 7-8 Listening Level: Grades 4-6 The Library of Explorers and Exploration™ Primary sources make these fascinating books unique. The titles in this visually stunning new biography series will provide middle school readers with an understanding of each explorer's life and achievements. Primary source documents such as journal entries, maps, and letters supplement engaging and detailed prose to explain the voyages and the impact they had on society and history. This series supports the social studies curriculum for: European exploration of the Americas; People, places and environment Ferdinand Magellan - Listeners will be fascinated to learn about Magellan, the Portuguese sailor who set off to find the "Spice Islands" for Spain. However, Magellan's journey was troubled from the start. Plagued by difficulties in navigation and managing his crew, Magellan's journey ended in tragedy with his murder. Set within the context of the Great Age of Discovery, this book is perfect for students learning about that period in history. "This series' titles will provide attractive overview resources for that ubiquitous explorer report. the set has a unified old manuscript appearance with pages printed with full bleeds. Each of the handsome two-page layouts serves as a chapter with one page devoted to illustrations: maps, photos, or drawings from stock archival sources. A summarizing timeline, and index are included." - Library Talk

#### **Tanya Nolan:**

Is it an individual who having spare time and then spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Ferdinand Magellan: The First Voyage Around the World (The Library of Explorers and Exploration Series) can be the response, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

#### **Pamela Dodge:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Ferdinand Magellan: The First Voyage Around the World (The Library of Explorers and Exploration Series) can make you feel more interested to read.
