The Klondike Fever: The Life And Death Of The Last Great Gold Rush

Pierre Berton

The Klondike Fever: The Life And Death Of The Last Great Gold Rush Pierre Berton

"Absolutely first-rate."—The New Yorker

This thrilling story is at once first-rate history and first-rate entertainment. Incredible events occurred in North America after a decrepit steamboat docked at Seattle in 1897 containing two tons of pure gold. So frenzied was the clash for gold and so scant was information about conditions in the Klondike that the rush for riches became a kind of fabulous madness. The entire tale—of which Pierre Berton's account is the definitive telling—has an epic ring (legends were lived and fortunes were won) as much because of its splendid folly as because of its color and motion.

"The definitive account of an affair as wildly improbable as any in North American history."—Saturday Review

"A lively saga of the great gold rush. It is the most complete and most authentic on the subject in English."—The New York Times Book Review

From reader reviews:

Marianne Guzman:

Reading a publication tends to be new life style in this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this The Klondike Fever: The Life And Death Of The Last Great Gold Rush.

Sylvia Langley:

A lot of people always spent their very own free time to vacation as well as go to the outside with them family or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or playing video games all day long. If you would like try to find a new activity this is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you read you can spent all day every day to reading a publication. The book The Klondike Fever: The Life And Death Of The Last Great Gold Rush it is very good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. In the event you did not have enough space bringing this book you can buy the actual e-book.
