**Duran Duran, Leo, and the Universe: My Spiritual Journey on the Road to Awareness** RN, Jill E Stacy  
Can one woman's personal crisis be magically resolved by serendipitous encounters with musical legend Simon Le Bon and fellow Duran Duran band mates? Can order be restored in the universe by none other than Leonardo DiCaprio? For author Jill Stacy, who found herself grappling with profound personal demons, these chance meetings with megastars aligned to rally her, inspire her, and even bring about a spiritual awakening that radically transformed her take on the world around her. *Duran Duran, Leo, and the Universe: My Spiritual Journey on the Road to Awareness* is her uplifting, enthralling account of this charged and charming time of her life. Throughout, she shares a joyful, star-struck memoir of one woman's random, lifelong dreams, and how they were realized in rapid succession. When the author's beloved group of friends hatches a plan to see Duran Duran in concert in Las Vegas, little did Stacy know that she would be soon literally rubbing shoulders with the very band who had buoyed her spirits since her tender teenage years. From there, they enjoyed more far-flung adventures, including a whirlwind New York evening with Leonardo DiCaprio and Mark Ruffalo. With humor, heartfelt empathy and gentle insight on alternative healing methods, this light-hearted autobiography is certain to delight anyone who is seeking surer footing on a spiritual path, or who simply revels in the wealth of life-affirming surprises that are waiting around every corner. A portion of the proceeds of this book will go to the following charities: Oxfam, the Leonardo DiCaprio Foundation, the Stella Adler Studio of Acting, and RAINN.
