TALES OF THE JAZZ AGE. No more than 15-20 of these hand-printed jackets are sold in a year, if that, due to the intense labor. Each jacket is nicely marked "facsimile dust jacket" on the rear jacket flap as well as the monogram "JAM"- on the verso of the jacket there is a small label affixed stating that this is a facsimile dust jacket and is signed by the artist. The Great Gatsby (Replication Dust Jacket for the 1st Edition Book- JACKET ONLY; NO BOOK) A rendered facsimile dust jacket for the first edition book of "The Great Gatsby." The jacket was rendered by artist John Anthony Miller and archival ink and special paper were used. Jacket comes trimmed and enclosed in a mylar jacket protector, ready to put on the book. Please see the photograph. One of the most attractive dust jackets ever with the celestial eyes. Label on verso indicates that the jacket is a facsimile edition. Digital restoration using archival material by John Anthony Miller Studio. A statement about the quality: "John's unique artistry was evident as soon as I saw The Great Gatsby dust jacket. Having seen scores of facsimile jackets, John's work is in a completely different league. The rich tonal quality of the colors is breathtaking and the weight of the paper is carefully considered. He satisfied the needs of the most demanding client, even during a personally trying time. I look forward to doing continued business with him in the future and give him my highest recommendation."
