The Druid Plant Oracle

Philip Carr-Gomm, Stephanie Carr-Gomm

The Druid Plant Oracle Philip Carr-Gomm, Stephanie Carr-Gomm

In the Druid tradition, many plants, herbs, flowers, and mushrooms are considered sacred and to have special meanings, and are prominent features of mythology and legend. The Druid Plant Oracle presents these stories and the virtues and qualities that have been traditionally ascribed to these plants, through an oracle that is able to offer unique guidance and inspiration.

The thirty-six cards each show a plant within its natural habitat and offers details within this 'miniature landscape' that are also described in the text. The book gives detailed descriptions of the meaning of each card, with keywords for upright and reversed positions, and information on the mythology and lore associated with each plant. Six ways of conducting a reading are offered, ranging from The Pentagram, a simple spread useful when exploring blockages to personal and spiritual development, to Ceridwen's Cauldron, recommended for issues concerning creative projects, and for those times when life seems to be in a state of flux.

From reader reviews:

Tonia Jensen:

Many people spending their time frame by playing outside with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by examining a book. Ugh, do you think reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Cell phone. Like The Druid Plant Oracle which is having the e-book version. So , why not try out this book? Let's notice.

Christopher Miller:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This The Druid Plant Oracle can be the answer, oh how comes? A fresh book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Nettie Powers:

That reserve can make you to feel relax. That book The Druid Plant Oracle was colourful and of course has pictures around. As we know that book The Druid Plant Oracle has many kinds or style. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and believe you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you and try to like reading this.

Haydee Todd:

A lot of book has printed but it is unique. You can get it by online on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by means of searching from it. It is known as of book The Druid Plant Oracle. Contain your knowledge by it. Without making the printed book, it could add your knowledge and make a person happier to read. It is most important that, you must aware about publication. It can bring you from one place to other place.
