The SPECTRE Trilogy: Thunderball, On Her Majesty's Secret Service, You Only Live Twice (James Bond - Extended Series) Ian Fleming

SPECTRE is the ultimate terrorist organization, helmed by the original supervillain—and James Bond's nemesis—Ernst Stavro Blofeld.

This edition features all three books that inspired the 2015 film SPECTRE and includes a new introduction from the producers.

Thunderball Upon M's insistence, James Bond takes a two-week respite in a secluded natural health spa. But amid the bland teas, tasteless yogurts, and the spine stretcher the guests lovingly call "The Rack," Bond stumbles onto the trail of a lethal man with ties to a new secret organization called SPECTRE. When SPECTRE hijacks two A-bombs, a frantic global search for the weapons ensues, and M's hunch that the plane containing the bombs will make a clean drop into the ocean sends Bond to the Bahamas to investigate.

On the island paradise, 007 finds a wealthy pleasure seeker's treasure hunt and meets Domino Vitali, the gorgeous mistress of Emilio Largo, otherwise known as SPECTRE's Number 1. But as powerful as Number 1 is, he works for someone else: Ernst Stavro Blofeld, a peculiar man with a deadly creative mind.

Thunderball marks the beginnings of one of the most iconic villains in history, and the only match for the wits of James Bond.

On Her Majesty's Secret Service In the aftermath of Operation Thunderball, Ernst Stavro Blofeld's trail has gone cold—and so has 007's love for his job. The only thing that can rekindle his passion is Contessa Teresa "Tracy" di Vincenzo, a troubled young woman who shares his taste for fast cars and danger. She's the daughter of a powerful crime boss, and he thinks Bond's hand in marriage may be the solution to all her problems. Bond's not ready to settle down—yet—but he soon finds himself falling for the enigmatic Tracy.

After finally tracking the SPECTRE chief to a stronghold in the Swiss Alps, Bond uncovers the details of Blofeld's latest plot: a biological warfare scheme more audacious than anything the fiend has tried before. Now Bond must save the world once again—and survive Blofeld's last, very personal, act of vengeance.

You Only Live Twice The tragic end to James Bond's last mission—courtesy of Ernst Stavro Blofeld—has left 007 a broken man and of little use to the British Secret Service. At his wit's end, M decides that the only way to snap his best agent out of his torpor is to send him on an impossible diplomatic mission to Japan. Bond's contact there is the formidable Japanese spymaster Tiger Tanaka, who agrees to do business with the West if Bond will assassinate one of his enemies: a mysterious Swiss botanist named Dr. Guntram Shatterhand.

Shatterhand is not who he seems, however, and his impregnable fortress—known to the locals as the "Castle of Death"—is a gauntlet of traps no gaijin has ever penetrated. But through rigorous ninja training, and with some help from the beautiful and able Kissy Suzuki, Bond manages to gain access to Shatterhand's lair.

Inside lurks certain doom at the hands of 007's bitterest foe—or a final chance to exact ultimate vengeance.

The text in this edition has been restored by the Fleming family company, Ian Fleming Publications, to reflect the work as it was originally published.
