The Villa in Italy

Elizabeth Edmondson

The Villa in Italy Elizabeth Edmondson

Marvellously atmospheric tale of four strangers summoned to a grand but neglected villa on the Italian coast. Each of them has been named in a will, but not one of them knows their benefactress...Four very different people are named in a will. Delia, an opera singer robbed of her voice by illness; George, an idealistic scientist who cannot face what his skills have created; Marjorie, desperately poor and unable to dislodge her writer's block; and Lucius, ostensibly in control but whose personal life is in chaos. All are summoned to the Villa Dante, home of the late Beatrice Malaspina. But who was she? While they wait to find out, the villa begins to work its seductive magic. With its faded frescoes, overgrown garden and magnificent mediaeval tower, it is unlike anywhere they have been before. Slowly, four characters who have gone to great lengths to hide their troubles find that change - and even hope - is possible after all. But the mysterious Beatrice has a devastating secret to reveal that will affect them all...A beautiful evocation of Italy in the aftermath of World War Two, the personal consequences of living through such a time, and a celebration of humankind's ability to heal and learn to love again, this most absorbing novel will win Elizabeth Edmondson a host of new fans.

From reader reviews:

Luis Herrick:

Book is definitely written, printed, or outlined for everything. You can recognize everything you want by a reserve. Book has a different type. As it is known to us that book is important issue to bring us around the world. Close to that you can your reading expertise was fluently. A book The Villa in Italy will make you to become smarter. You can feel considerably more confidence if you can know about anything. But some of you think that will open or reading a new book make you bored. It is far from make you fun. Why they may be thought like that? Have you searching for best book or suitable book with you?

Robert Watts:

In this era globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. The actual book that recommended to you personally is The Villa in Italy this reserve consist a lot of the information from the condition of this world now. This book was represented just how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. The particular writer made some investigation when he makes this book. Here is why this book suitable all of you.

Salvatore Anthony:

A lot of publication has printed but it differs. You can get it by world wide web on social media. You can choose the top book for you, science, comic, novel, or whatever by simply searching from it. It is known as of book The Villa in Italy. Contain your knowledge by it. Without making the printed book, it might add your knowledge and make you actually happier to read. It is most critical that, you must aware about guide. It can bring you from one location to other place.

Lawrence Pomerleau:

What is your hobby? Have you heard that question when you got scholars? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person similar to reading or as studying become their hobby. You need to understand that reading is very important and book as to be the thing. Book is important thing to increase you knowledge, except your current teacher or lecturer. You get good news or update about something by book. Many kinds of books that can you go onto be your object. One of them is The Villa in Italy.
