This companion to *Speaking of Divorce* is for kids ages 7–12. In a simple question-and-answer format, the book gently explains what divorce is, why parents decide to divorce, new living arrangements, how to handle feelings, and other basics to help children understand what's happening in their lives.

With honesty and simplicity, the authors help children realize that divorce isn't their fault, strong emotions are okay, and families can survive difficult changes. Written to and for kids, this book is also recommended for parents, educators, counselors, and youth workers.
