These notebooks are sure to inspire some beautiful music! No one knows better than Matthew Teacher how to create a successful music journal-his first, The Musician's Notebook, sold more than 200,000 copies. Now, for the first time, he has developed notebooks for the two most popular instruments: the piano and the guitar. Each one will feature inspirational quotes, words of advice, and wisdom from leading players, along with pages of sheet music just waiting to be filled and a section for note-taking. And they're both elegantly designed with rounded corners, and priced attractively for the gift-giving shopper. Musicians will especially appreciate the user-friendly, lay-flat flexi-bind format that's easy to write in and to work with during a performance.
